RUNNING LATE / NO-SHOW

_____ Life happens, and sometimes rescheduling is unavoidable. I understand that I must call or text at least 24 hours in advance to cancel my appointment. If I do not call to cancel 24 hours prior to my appointment, there will be no priority on my reschedule and a rescheduling fee may be applied to my next visit for the costs of fuel used by Scrubby Dub.

UNFORSEEN CIRCUMSTANCES

_____ I further understand that unforeseen circumstances may occur which can disrupt the schedule of Scrubby Dub Doggie Tub, such as vehicle breakdowns, extreme weather conditions, complicated grooming situations, etc. These issues will be considered events beyond my/our control and rescheduling will occur as quickly as possible.

COAT

_____ I understand that Scrubby Dub's first priority is my dogs comfort. In the event that my dogs coat is matted, I understand that Scrubby Dub may have to shave the coat rather than put my dog through a painful de-matting procedure. I further understand that in the event that my dog's coat is severely matted, there is a risk of clipper burn and cuts to the skin. I understand that all attempts will be made to prevent this, but also understand in cases of extreme matting this is unavoidable. In the event that my dog is severely matted, it can take much longer to groom and an addition charge may be applied above my quoted price.

HEALTH

_____ I understand that grooming can be stressful for some dogs. I am obligated and will inform Scrubby Dub if my dog has any heart conditions, stress related skin conditions or emotional anxiety prior to grooming. I will also make sure I have my dog up to date with his/her vaccinations prior to his/her appointment. If my dog is not up to date, Scrubby Dub is not under any obligation to groom my dog.

AGGRESSIVE DOGS

_____ I understand that if my dog bites, has bitten, is aggressive to people, other pets or is aggressive due to specific grooming procedures, I agree that I **MUST** inform Scrubby Dub prior to the groom. I understand muzzles may be used when necessary. Wearing a muzzle will not harm your pet, and protects both the pet and the groomer.

! Scrubby Dub reserves the right to refuse or stop services for bad behavior at **ANY TIME** before or during the grooming process. This will put your dog on the "NO-GROOM" list and will no longer be allowed on our client list or grooming schedule. Furthermore, any non-disclosure prior to said bad behavior which results in injury of any kind can be escalated to legal court proceedings.

EXCITABLE

_____ I understand that if my dog is too excited and is difficult to groom, it may take extra time. Therefore an additional charge may be incurred for causing scheduling delays.

ACCIDENTS

_____ I understand that accidents happen! Grooming equipment is sharp and even though we use extreme caution and care in all situations, potential incidents occur (including cuts, nicks, scratches, quicking of nails, etc). In most cases, this happens when a pet is wiggling, resisting &/or fidgeting. Every effort will be made to ensure your dog is groomed as safely as possible. An anxious, excited dog can be dangerous to work on. Extra time may be necessary and taken to create calmness and allow your pet to get comfortable with their surroundings. If they do not seem to become calm in a relative amount of time, Scrubby Dub reserves the right to discontinue the grooming session.

EMERGENCIES

_____ Should an emergency arise, I authorize Scrubby Dub to immediately seek professional Veterinarian assistance at my expense. I understand that all attempts will be made to contact me in the event of an emergency before assistance is sought!

PARASITES

_____ If you suspect your pet has fleas or ticks, prompt and thorough action on YOUR part is needed prior to grooming. Flea infestations can lead to tapeworm and other health problems. If there is evidence of fleas, the grooming session will be promptly terminated. Scrubby Dub does not treat parasite infestation and the dog should be treated and healed by your veterinarian before Scrubby Dub will put them back on their client list.

! If ticks are found, we strongly suggest you have your pet tested for Lyme Disease. Please note that parasites are a health hazard to your pet as well as to humans.

BOOKING

_____ Booking with Scrubby Dub means that you have read and agree to the above statements and thus agree to hold Scrubby Dub harmless from any claim arising from any condition of your dog, either known or unknown to yourself or to Scrubby Dub. If your dog is a runner, or an escape artist, Scrubby Dub is not under obligation to retrieve them. Please keep your dog on a leash when handing over the lead. Further, it is understood and agreed that Scrubby Dub reserves the right to change any policy as necessary from time to time, when new issues arise. It is further understood this clause applies to all dogs groomed.
